3/1/2023

Thank you all for
all you do with
such kindness + compassion
& am grateful!

Connie, Theresa, Sue
and ALL the many
wonderful volunteer
drivers

Thank each and
every one of you for
being the "Saints" that
my ride by helping me
get to all of my various
appointments! Most importantly
thank you for helping me be able
to see my son, Eric & Greeley!!
It means so much to both
of us!! Happy New Year
to you all! Love..!

*some clients use SAINT to better access public transit

"I always have an interesting conversation
with the drivers."

"I moved here from Greeley nine years ago
because of your service because I do not
drive and can't afford a car with up keep."

"I feel safe with your drivers. So grateful!"

"With SAINT, I don't feel helpless."

"SAINT helps me stay physically active!
Important!"

We couldn't have done it without your generous *support.*

SAINT is all about rides - rides our volunteers give to help their Fort Collins and Loveland neighbors maintain their independence as they grow older or live with a disability.

But in truth - they are more than just rides. After all, if Maurice can't get to the grocery store to stock his pantry, how can he stay in his home? If he can't get to the physical therapist for his back injury, how can he stay healthy? If he can't get to the senior center to exercise or have coffee with friends, how can he stay happy and enjoy life? All these activities and many more depend on reliable transportation. And that is what you've enabled SAINT to provide!

Thank you

to all our donors,
volunteers, and
riders.
